8-Button KeyPad (US) with AxLink

SP-08-AX-US-WH (FG1311-08-WH), White
SP-08-AX-US-BL (FG1311-08-BL), Black
SP-08-AX-US-BA (FG1311-08-BA), Brushed Aluminum

Overview

Novara SP-08-AX-US AxLink Series KeyPads feature an 8-button layout, integrated AxLink interface and fit standard 1-gang US back box sizes. These KeyPads are extremely versatile in that they can be used to directly interface with NetLinx Controllers either by serial or AxLink connection. For added convenience, your AxLink connection also powers your KeyPad, thus reducing the need for an external power supply.

Common Applications

A good choice for expanding control in schools, government and other applications requiring cost-effective control without having to re-train users that are already familiar with the look and operation of Novara ControlPads.

Features

- 8-button panel layout
- 4-pin AxLink connector and Status LED
- Blue, backlit buttons with controllable feedback
- Includes acetate sheet with 50 pre-cut button label inserts for easy, cost effective labeling
- One bi-directional RS-232 port
- Only compatible with AMX NetLinx masters
